

Noah Bazer: Front-End Web Developer

✉ nbazer00@gmail.com 📍 Roanoke, VA 📞 225-221-7343 🔗 linkedin.com/in/noahbazer 🌐 www.noahbazer.dev

As an experienced web developer with over 2 years of development experience and 9 years of work experience, I've blossomed as a front-end web developer, acquiring a deep understanding of web development technologies and frameworks. I'm proficient in React, JavaScript, HTML, and CSS. My ability to learn quickly and adapt to new technologies has allowed me to excel in my career. I'm well-versed in creating beautiful, responsive, and user-friendly websites that provide a seamless user experience, and my goal is to continue to grow and develop my skills as a developer.

TECHNICAL SKILLS

RELEVANT EXPERIENCE

Front-End Developer, Freelance November 2022 - Present

As a freelancing front-end developer, I've had the opportunity to work on a variety of projects, from small business websites to personal blogs. I've developed a deep understanding of client needs and expectations, and I've honed my skills in creating beautiful, responsive websites that provide a seamless user experience.

- Developed 10+ responsive websites using native HTML, CSS and JavaScript, as well as React and Bootstrap.
- Resolved complex coding problems related to client-side scripting languages like JavaScript and jQuery.
- Built and maintained 12 reactive, open-source components using Typescript and React / React Native.
- Debugged cross-browser compatibility issues in Chrome, Firefox, Safari and IE.
- Translated flat design files to clean, accessible and interactive user experiences.
- Used version control systems such as Git to manage code repositories and track changes.

WORK EXPERIENCE

Reach Lift Operator, Associated Wholesale Grocers August 2021 - July 2024

- Operated a reach lift to move, locate, relocate, stack, and count merchandise.
- Loaded and unloaded trailers, moved merchandise to designated areas, and performed inventory control tasks.
- Maintained a clean and safe work environment by keeping shelves, pallet area, and workstations neat and organized.
- Followed company safety policies and procedures, and encouraged other associates to do the same.

Assistant Manager, Mr. Gatti's Pizza June 2017 - August 2021

- Managed a team of 10+ employees, including hiring, training, and scheduling.
- Ensured that all employees followed company policies and procedures, and provided feedback and coaching when necessary.
- Handled customer complaints and resolved issues in a timely and professional manner.
- Maintained inventory levels, ordered supplies, and managed cash transactions.

Lifeguard, Blue Bayou May 2015 - August 2016

- Monitored swimmers and enforced safety rules to prevent accidents.
- Responded to emergencies, administered first aid, and performed rescues when necessary.
- Maintained a clean and safe pool area, including cleaning and maintaining equipment.

EDUCATION

Full Stack Web Development Bootcamp, Devslopes

November 2022 - August 2024 (Expected)

Devslopes provides comprehensive training in React, JavaScript, TypeScript, Express, Node, and SQL, emphasizing Clean Code principles. The program prioritizes hands-on learning through projects and assignments with real instructor feedback.

Louisiana Tech University

August 2018 - May 2019

Pursued a degree in Computer Science, focusing on programming languages and software development.
